

Neighbor,

Our economy is in a death spiral. Inflation is soaring. Gas prices will soon skyrocket as the drawdown of the strategic petroleum reserve reaches its critical point. - Putting food on your table costs more too. - Healthcare costs are up while we wait longer and get less. Do we want someone forcing us to wear masks when no one truly believes the pandemic is not over? - Crime is rampant. Criminals rampage unchecked, spilling over from Houston and Austin impacting Washington County. - The border is at our back door. Human trafficking and drug smuggling — deadly fentanyl — are in our community. - We deserve more law enforcement, not less. We want boys to be boys and girls to be girls. We want schools to teach our kids, not brainwash them with critical race theory. - We want to be free to worship our God without big government bureaucrats telling us to trust Washington DC. - But the progressives want even more! Socialist politicians here in Texas want to take our guns, demand we buy battery-powered cars with limited range, and want our nation to switch to unreliable, increasingly expensive “green” sources. -- We cannot afford to slide into the clutches of socialism. - We must take a stand. - That is why we are asking you to consider this slate of candidates. These are folks we know will put the needs of Washington County – not California – first.

Your friends,

The Republican Party of Washington County

- Are you worried about the direction our country is taking?
- Are YOU and YOUR FAMILY doing as well now as you were just a few years ago?
- Was the COVID lockdown good for you and your family? Do you like mandatory vaccines and masks?
- Are you comfortable with rising violent crime, and no bail for murderers?
- Do you like rising food and fuel prices, and empty grocery shelves?
- Are your kids getting a good education, or is it just socialist indoctrination?

These are essential questions.

This WASHINGTON COUNTY VOTER GUIDE will help!
